

## **Board Policy 620: Graduation Requirements**

### The Educational Program

Appropriate College personnel will approve graduation requirements consistent with the regulations of the Iowa Department of Education for each of the curricula offered at Iowa Valley Community College District. The College catalog contains in detail the requirements for the various degrees, diplomas, and certificates.

The College shall grant to graduates any of the following awards as determined by the curriculum and program of each student:

- Associate of Arts
- Associate of Science
- Associate of Applied Science
- Associate of General Studies
- Associate of Professional Studies
- Diploma
- Certificate
- High School Equivalency Diploma
- Certificate of Completion
